Your Pet Is Important To Us

Because we care about your pet's safety, we want to assure you that every precaution will be taken to provide a safe and stress-free grooming experience for your pet. Due to the intimate nature of the grooming process, or a pet's tolerance level for stress, strangers, or handling, some pets can become anxious or reactive during the grooming service.

If we determine that continuing the grooming service would present a threat to your dog's emotional or physical health, and/or the safety of the groomer completing the service, we will discontinue today's service and contact you immediately.

We will take every precaution necessary to complete the grooming service safely and humanely including the proper use of common industry safety equipment such as grooming loops, muzzles, and restraints.

I hereby grant permission to Groom n' Board to utilize proper restraints for the health and safety of my pet and my grooming service provider during today's grooming service. I understand and agree that if Groom n' Board deems it unsafe or unhealthy to continue for the pet or the groomer, Groom n' Board will end today's service and I will be responsible for any services rendered.
